

Clays For Kids

SJEF Annual Scholarship Benefit 

SEPTEMBER 29, 2018

TENOROC RANGE

Dear Friend of St. Joseph's,

St. Joseph's Educational Foundation is excited to announce our inaugural sporting clay shooting tournament, "Clays for Kids". This tournament will serve as one of the Foundation's annual fundraising events and will provide scholarships for Lakeland students involved in Catholic education. The Foundation's new mission is to support all active St. Joseph parishioners' children attending any Catholic school within our Lakeland community through scholarship programs. As you can imagine, this is a critical mission of the foundation and one which will require a great deal of support. Today, we are asking you to join us in this mission.

Clays for Kids will be held on September 29, 2018 and will be a great opportunity for you, your family, friends and colleagues to come out and support our students while enjoying an action-packed day of sporting clay shooting! We'll kick the shoot off at 8am at Tenoroc Shooting Range. Immediately following the shoot will be a catered lunch by BubbaQue's, live music by Dan Signor, Lakeland Loft Cash Bourbon Bar, FREE beer & wine, silent auction and awards ceremony at Santa Fe Catholic High School immediately following the shoot. It is our hope that you'll strongly consider sponsoring this important event and that your contribution will have a lasting impact on catholic education in Lakeland.

We would welcome the opportunity to talk with you further about the event, the foundation and our mission. Please contact Maittee Grana, SJEF Administrator, at (863) 535-5225 or mgranasjef@gmail.com. Included with this letter is some information about the Clays for Kids tournament and our sponsorship packages.

The success of our efforts will directly impact our ability to award student scholarships and we know that neither is possible without partners like yourself. Thank you in advance for your consideration.

Respectfully,

Michelle McQueen,
Clay Shooting Tournament Chair

Benefits of Catholic Education

Choosing a Catholic education is a decision that will last a lifetime. Students in a system of education that is rooted in the teachings of Christ receive a superior academic experience that develops the whole child.

- 99% of Catholic students, who attend Catholic high school, graduate. Of those, 88% attend 4-year colleges.
- Catholic Schools save the state of Florida \$467 million and nationally \$20.5 billion annually.
- The student/teacher ratio in Catholic schools is 14:1
- Students in Catholic schools consistently perform above the national average at all levels on Iowa Assessment.
