Dear Alumni of Santa Fe,

We stand on the brink of our 50th anniversary of educating young men and women to embrace their future and the world. This is an exciting time to be at Santa Fe. For fifty years, men and women who have graduated from Santa Fe Catholic, have gone on to assume roles of leadership in the Church, in their communities, in the greater Lakeland area, around the country and now in the global society in which we live. Your accomplishments are a source of great pride for our school community.

In this time and age of “instant everything,” we must hold fast to the values on which our lives are built. Santa Fe has always given its graduates a firm foundation on which to build their lives, and it continues to provide that foundation of faith and values today.

We know that time is dynamic and we do not work alone. Those of us who are here today are benefitting from the traditions of excellence and the depth of faith of all those who preceded us. As alumni you are the root of our living history. We at Santa Fe Catholic today will grow strong into the future because we grow from the well-established roots that have been formed by you, our alumni.

It is our hope that in the pages of this newsletter you will find the names of friends from the past and that those names will rekindle fond memories of your days at Santa Fe. Please know you are always a part of the Santa Fe Catholic community, and we look forward to welcoming you home.

Most sincerely,

Gwen Coté

Naming & Dedication of the Coach Jeff Mosher Gymnasium

This past summer you were asked to join us in celebrating Santa Fe Catholic’s 50 Years of Excellence and to take on our “Alumni Gymnasium Challenge” to name the gym honoring our beloved Coach Jeff Mosher. We are pleased to announce that the court has been refinished with our new athletic Hawk logo - and it looks fabulous! The naming and dedication will take place on Friday, December 9, 2011 during halftime of the 7:30pm Boys Varsity Basketball game against LCS. We still need your help to raise the funds needed for new bleachers and completion of interior work by October 24, so that we can give our students the pride that comes with the experience of hosting home games in a gymnasium they can be proud of. If you are able to support our “Alumni Gymnasium Challenge” please contact Ramiro Gallegos by email at rgallegos@santafecatholic.org, or call 863·665·4188, Ext. 235.

Alumni Highlights

Mary Frederick, Class of 1975
Owner of Effective Communications & Design

After graduating from FSU in 1979 (go Noles!), I've stayed in beautiful Tallahassee, working in the communications field (writing, editing, web design, public and media relations). Hobbies include reading, fishing, travel, aficionado of nun memorabilia, lawn croquet, and community involvement. Married to Rick Hilburn, architect.

I sometimes wonder where I would have ended up had I not attended Santa Fe. My years (and friends I made) there gave me a solid foundation on which to build my life. I cannot imagine going through the topsy-turvy teenage years without the grounding that Santa Fe teachers and administrators provided. We were so blessed to have the high caliber of teachers who really cared about us and taught us not only scholastic lessons, but also life lessons and most importantly, a love of learning. I will always be grateful to Santa Fe for this wonderful gift.

Donald Jackson Jeffares, Jr. (Jack)
Class of 1986
FFVA Mutual Insurance Company - VP of Operations

Kimberly Kennedy Jeffares, Class of 1989
Bond Clinic - Director of Marketing

Jack graduated from Auburn University with a B.S. in finance in 1990. Kim graduated from Florida State in 1993 with a B.A. in English and a B.S. in marketing.

Jack and Kim were married in 1997 and live in Lakeland with their five boys: Jackson (12), triplets Cole (8), Miles (8), Drew (8), and Owen (6).

“My time at Santa Fe and the dedicated staff and lifelong friendships have prepared me for life’s journey. I would love for my five boys to join Kim and I as Santa Fe Graduates.” Jack Jeffares
Melinda Grosser (Class of 2007)

Melinda graduated from the University of Florida this year with a 4.0 GPA, majoring in biology with a minor in fisheries and aquatics, summa cum laude with the highest honors. Melinda received offers from all six top-tier graduate schools she interviewed with, all over the country. Melinda also received an award as one of ten Outstanding Scholars out of 3500 undergraduates graduating in the spring. Melinda plans to pursue her PhD at the University of North Carolina in the fall, in microbiology and genetics.

“Thank you to all of you at Santa Fe for contributing to her preparation and success as a student and person. Santa Fe has much to be proud of and you were all a part of her being where she is today!” Jude W. Grosser

Bryan Lee (Class of 2000)
Director of Acquisitions with Beacon Communities

Bryan Lee graduated from Santa Fe in 2000. While at Santa Fe, he was actively involved in numerous sports including track and football, but soccer was his greatest passion; he played on the varsity team during his four years at Santa Fe. Additionally, he served as the senior class president.

After Santa Fe, Bryan enrolled in and graduated from the University of Florida in 2004 with a bachelor of science in finance and joined a commercial real estate consulting and valuation firm in Jacksonville. After four years with the firm, he moved to Cambridge, Massachusetts to pursue a masters degree at MIT. While at MIT, Bryan studied business with a concentration in commercial real estate finance and development. He currently works as Director of Acquisitions with Beacon Communities, a private equity real estate firm headquartered in Boston, Massachusetts.

Bryan remains actively involved with the MIT Center for Real Estate, where he assists in teaching ‘Contract Ventures’ a course for masters degree candidates. He frequently makes the trip from Boston to Lakeland, where parents David and Karen still reside. His sister Alyssa, also a Santa Fe graduate (class of 2002), currently lives in Washington, DC. Bryan continues to play soccer as he did during his years at Santa Fe, and enjoys sailing the Charles River and travel to foreign countries.

Mrs. Lucille Pfund, Twenty-Five Years Later at Santa Fe Catholic

I came to Santa Fe after years of teaching elementary school, and was I ever excited about teaching high school as well as elementary. Some of you might remember that I taught at both Santa Fe and St. Joseph’s for 19 years. Many of you have been in my art classes for 13 years. Lucky me! Hope it’s mutual. I still have students that I taught at St. Joseph’s that are now in my Santa Fe art classes, and I can’t begin to tell you what a joy that is. Or to have a student or an adult come up to me and say, “Mrs. Pfund, do you remember me? I had you for art in kindergarten or high school.” And I must say I do remember you because I can still see your face back then, if I can place your class.

It seems that wherever I go in Lakeland I meet one of you, even while on vacation in South Carolina, and what a joy it is. I have been to some of your weddings, bridal showers and baby showers. I have had the pleasure of keeping in touch with some of you at Christmas. When I was sick I got cards from you and letters of encouragement. You also have emailed me about your success. In the past year I have heard from two former students who now have their own businesses. One designs photo announcements; another has written two books on surface design and has her own design business. I know there are many other stories out there that I haven’t heard about. I would love to hear from you. My email is lpfund@santafecatholic.org.

I can’t begin to tell you how proud I feel to know you were my student. The successes I hear about when I meet you or read about you are not always art related. At Chamber of Commerce gatherings I have met many alumni, an orthodontist, lawyers, nurses and parents. Santa Fe’s alumni range from the owner of Palace Pizza downtown, military personnel and law officers, to even a major league baseball player. Last year the father of one of my students attended his daughter’s graduation. Sounds ordinary, but the difference is that both father and daughter were my students. A Santa Fe graduate of mine gave the commencement address for the Class of 2011 and another also a few years ago.

There have been many changes at Santa Fe since 1986, but I have to tell you that your alma mater has the best administration ever with Ms. Gwen Coté as president, Mr. Matt Franzino as principal, Mrs. Glenda Pierce as assistant principal and Br. Paul Santoro as campus minister; they are a remarkable team. Under their leadership the school has grown in so many ways.
The art department has expanded; we now have a kiln and offer pottery classes. We have the newly established National Art Honor Society, which I sponsor. It has attracted a large number of students. We have new updated and remodeled science rooms, and one by one classrooms are being remodeled. You can see so much change taking place on our campus. The school grounds have been newly landscaped. I am in the process of designing and painting a mural on the wall behind the statue of St. Francis of Assisi outside the McDonald Building, and of course our current students, two alumni and Mrs. Redman are helping to paint the mural. Another mural showing our graduates around the world is in the planning stages.

Speaking about Mrs. Redman, we are both still junior class moderators and prom coordinators. Prom is another fun project that I love being involved with because it’s such a happy occasion and one of the best parties of the school year.

Those of you who were here in the 80s might know my daughter Lisa. Lisa was very active in SGA and the SFC swim team. Lisa is married, is a lawyer, has three children and lives in Atlanta. At the moment Lisa is happy to be at home to raise her three young daughters before pursuing her second career, law. Although Carolyn, ten; Brooke, seven; and Bridget, four, keep her very busy now, she volunteers much of her “spare” time. This reminds me, several of Lisa’s classmates have children who are in my art classes. I meet many of Lisa’s classmates at Santa Fe events.

Do you remember Renaissance? I’m sure you do. The 29th dinner auction will be held next year. The Renaissance Dinner Auction is also special to me. I was involved in the planning of the theme and designing the façade of the gym and the costumes, decorations and booths for the very first Renaissance Dinner Auction. You were also there painting, cutting, pasting, etc. It was so much fun. I did the next three and then one more, and finally in 2005 two more. For the last two, however, I just designed the façade. And you were there with me, staying after school to help paint, cut, saw, paste, or whatever task was needed.

And then there was the Christmas float. I also did the St. Joseph’s float but I learned that at Santa Fe it was mostly you, the student, who built the float, and of course there were always parents who helped also. You helped design, paint, cut, saw or paste.

How can I forget Mr. Pfund who has always been here for me, no matter what I got myself involved in? I couldn’t have asked for a better partner. He’s an engineer, but he should have been a teacher because he loves kids, too.

Another notable event in my career is that we are hosting an international student from China, Nikki Wang, for her second year. What a truly exciting experience it has been learning firsthand about another culture, and knowing that we are sharing our American culture with such a delightful, talented and beautiful student.

So 25 years flew by and with all the great memories I have I can say it has been some of the best times of my life and it was all because of you. It’s all about you!

Sincerely,

Lucille Pfund
