

Santa Fe Catholic High School

Preparing Students for College and the World

Dear Parents,

We are pleased to announce Santa Fe Catholic High School has partnered with Follett Virtual Bookstores to provide textbooks for the 2012-13 school year. We have moved to an online bookstore model to take advantage of the services and convenience Follett brings to over 1,500 bookstores and their customers across North America.

Books will be available over the summer on our new “virtual” bookstore website, www.santafecatholic.bkstr.com. We will communicate additional textbook ordering details and procedures later in the year, but we encourage you to sign up for the bookstore email mailing list so you receive notification direct from Follett when books become available. Sign up today at www.santafecatholic.bkstr.com/email.

Follett is now the preferred place to find your books. The school has worked with Follett to source and stock the exact edition of the books we will use in our classes. Follett is the only bookstore with a relationship to the school and the best source of book information.

Book Options

The virtual bookstore offers new books along with money-saving used books they buy back from Short School Name families at the end of the school year. Follett also offers textbook rental on selected titles. Rental books are typically half the price of the purchasing new edition. Limited books may also be available in digital format – look for Digital Textbooks on the website where available.

Fast Delivery

The bookstore has extended a free ground shipping offer the first two weeks the booklist is available during the summer. Follett ships all orders from their warehouse the same or next business day via FedEx. Expedited shipping options are available, but it is best to order early for the best used book selection.

Customer Service

If you require assistance ordering books, or have a question with your order, call Follett’s customer service line at 877-827-2665. Follett accepts returns on books 30 days from your order date or 30 days from the start of classes, whichever is *later*. See their website for additional information.

If you have any questions or comments, please feel free to contact the school or Follett Virtual Bookstores directly at 877-827-2665.

Sincerely,

Matt Franzino
Principal
