

UNIQUE CULTURAL OPPORTUNITY HOST A STUDENT FROM FRANCE JULY 10 TO JULY 28, 2015

This summer you and your child can have the unique opportunity of hosting a student from France through a program developed by Vistas in Education (VIE). VIE has been providing exceptional “Travel and Stay” programs in both France and the United States since 1976. I used VIE exclusively when I was arranging home stays in France for my students and when students from France visited my students here in Lakeland.

French students are selected for the program based on maturity, adaptability and sensitivity to other cultures. They must be in good health and will be fully covered by VIE’s comprehensive insurance plan.

Host families are asked to accept the student as a member of the family, and not as just a guest; introduce the student to the community and encourage activities with other Americans; integrate the student into their daily life, from routine outings—Shopping, visiting friends and relatives and local sightseeing—in addition to any special activities they might plan.

For more detailed information: Nancy Dotson: 863-647-3534 or dar4nrd@outlook.com

1. The students will be between the ages of 14 to 18.
2. They will arrive and depart from Tampa International Airport.
3. They will be accompanied by an adult sponsor.
4. They will have their own spending money.
5. You provide their room and board. (a separate bed is required but they can share a bedroom with your child if necessary.
6. They are here to learn about our culture and to share your child’s activities.
7. The adult sponsor will stay with me.
8. Both their sponsor and I will be available to answer any questions that might come up.
9. I will organize a social get together for your families and the students.
