

**Do you enjoy helping others and being creative?
Do you need high school service hours?
Science Mentoring at Resurrection Catholic School in
Lakeland may be for YOU!**

Mentors are needed to guide middle school students through a research-based scientific inquiry process to develop a science fair experiment. Mentors can choose from two options: Monday afternoons from 3:15-4:15, August 13th - November 26th or 4 scheduled mornings that meet Saturday from 8:45-Noon. You are not required to commit to all sessions. Snacks are provided on Mondays and a light continental breakfast on Saturdays.

The dates for Saturday Mentor Mornings are:

- **Saturday, August 25, 2018**
- **Saturday, September 15, 2018**
- **Saturday, October 13, 2018**
- **Saturday, November 10, 2018**

**Mentoring is an innovative and fun way to get service hours
It is a chance to provide guidance to younger students
If you have a basic science background and enjoy helping others this is a perfect fit
Directions on what to say and do will be provided
IN ADVANCE, thank you for giving of your time and talents!**
