Fire and Ice Ball
Dear Friends of Santa Fe Catholic,

We stand in awe of your generosity to the children and youth who seek Catholic education. Our community, our state and indeed our world are better because students have been steeped in the values-based education at Santa Fe Catholic. Your support of our efforts to educate the next generation is overwhelming.

Renaissance is always a wonderful evening for the Santa Fe Catholic Community, and your participation makes us so very proud. Education of any kind today is a great challenge; Catholic values-based education pushes all of us to embrace the greatest of all callings. We are challenged every day to give our young people academic excellence laced with hope and the solid Catholic values that will also make them good faith-filled people. Your support of this event is changing lives and providing hope and promise for the next generation. As we gather tonight for Renaissance XXX, Fire And Ice Ball know that you are giving the one gift that will last a lifetime to our children -- a Catholic education, which will prepare them for college and the world.

Thank you for your support of Santa Fe Catholic through this, our annual Renaissance event. Please be assured of our prayers for you and your families. May God bless you abundantly for your goodness to His children. We humbly offer you our thanks.

Gratefully,

Matt Franzino
Principal
Dear Patrons and Sponsors of Renaissance,

Welcome to Renaissance – Fire & Ice. We are thrilled to have the opportunity to serve as Chairs again for a third year for this wonderful event.

Of course, this event would not be possible without the hard work from Steering Committee, the parent volunteers, and the school staff, all of whom tirelessly worked to help pull this event together. We also must thank Ramiro Gallegos and Jeff Meeks, who helped set up the gym for this event, Sue Schluender, who headed up the volunteers, Stacey Wurthmann, for her dedication in heading up the Silent Auction, Rhonda Grant, for making the beautiful baskets, Marie Nguyen for the beautiful bows on the chairs, and Martha Staron, who headed up the acquisitions. A special thanks goes out to the endless hours that Channon Eickenberg put in towards setting up the Bid Pal website, managing the overall set up for the event, and for answering all of our e-mails and telephone calls during this process.

Tonight you will have the pleasure of enjoying the delicious dinner from Bonefish while indulging in our signature cocktail—“The Backdraft.”

This year we are pleased to introduce electronic bidding, which will allow you more of an opportunity to socialize, while still able to watch those auction items that you desire. There are volunteers to assist you, if you have any questions regarding this process.

Once the auction concludes, the evening is not over as the fun will continue. We invite you to stay and enjoy The Sofa Kings that have been provided by our Entertainment Sponsor- Bernie’s Body Shop. Dancing and music will allow you to continue to enjoy the evening until the very end.

We hope you enjoy this event and again it has been our pleasure to serve as Chairs for you for the past three years.

The Internal Revenue Service has directed charitable organizations, such as Santa Fe Catholic High School, to disclose to contributors certain approximate costs of fundraising events, to assist taxpayers in taking proper federal income tax deductions. A percentage of the cost of your ticket to the auction might be deductible as a charitable contribution on your federal income tax return. Further, the excess of the price you successfully bid for any item over its donor or retail value is deductible. Please see your personal tax advisor concerning the actual deductibility of any portion of your contributions or purchases at the auction. While Santa Fe Catholic High School cannot advise you as to the deductibility of specific items, we will be pleased to provide available factual information to assist you in making your individual determinations on request.
