

Santa Fe Catholic High School

Preparing Students for College and the World

April 13, 2012

Dear Parents:

As you may have heard, Santa Fe Catholic is participating with all the other Catholic schools in Polk County in a very special Mother's Day effort. We are joining with the Two Men and a Truck "Movers for Moms" program to benefit Moms who are struggling in our local area and are in need of assistance.

Mother's Day should be a joyous occasion for mothers and their families. Unfortunately for some women, that's not always the case. "Two Men and a Truck" has enlisted the help of the Catholic Schools in Polk County to assist in this project. Together we hope to change the desperation some Moms experience and make their lives a little brighter this Mother's Day. The program is a national effort initiated by the Two Men and a Truck organization. The collection is of creature comforts and other necessities to make life easier for the women at a local shelter. Our school will be collecting donations from April 23 through May 7 for the shelter. The donated items will be collected from our school on May 7 by Two Men and a Truck and will be delivered on or before Mother's Day.

At the bottom of this letter you will see items that are especially needed by these moms this Mother's Day. You will see from the list that most of these items are things that we do not consider special but part of the necessities for daily living. Truly for some Moms these simple items are a luxury.

With Mother's Day just a few weeks away, we will soon begin collecting items for this worthwhile program. You may drop off items for donation during regular school hours or send items in with your child. I would encourage you to talk about this project with your son or daughter and make them a part of choosing the item (s) to be donated. Please do not gift wrap the donated items.

With your help and generosity, we can make Mother's Day more special this year for mothers who struggle right here in Polk County.

Please do not hesitate to call if you have any questions. Let us pray together that we will all be inspired by Mary the Mother of Jesus to give to others this Mother's Day and share in a spirit of Christian service with mothers who are in need.

Sincerely,

Matt Franzino
Principal
